(U) Note: Here's another in our Friday "human interest article" series...

(U) As you may have noticed, each *SID today* article comes with a feedback button, so readers can tell us what they think of the article. Typically, we receive a few comments about each, but a select few have sent people reaching en masse to click on that "feedback" button. This feedback might be good or bad or any point in between.

(U//FOUO) So, what are our top-5 *SID today* articles in the feedback department, to date? Here's the rundown:

1. [\(U//FOUO\) Tales From the EN-Crypt! \(How to Get Your PKI Certificate\)](#) (This subject had near-universal relevance and generated some questions. There was also a [follow-up article](#).)
2. [\(U\) Leadership: Your View of People](#) (Charles Berlin's views on leadership struck a chord with many readers.)
3. [\(U\) Congratulations to SID Promotees and Award Recipients!](#) (An area of intense interest to many!)
4. [\(U\) Media Leaks - Part I](#)
5. [\(U\) What Does a Leader Do?](#) (Another of Mr. Berlin's articles on leadership.)

(U) See you next week!

"(U//FOUO) SIDtoday articles may not be republished or reposted outside NSANet without the consent of S0121 ([DL sid comms](#))."
